

## 2017 CHS Swim Team

### Fall:

- Starting August 14 the CHS swim team will practice from 3:30-6:00 at Tar Club Monday-Friday and Saturday mornings. Swimmers are expected to attend all practices unless excused by Coach Logsdon. **You must attend 100% of practices unless you speak to Coach Logsdon prior missing and explain your absence. Confirmed school related events, family emergencies, and sickness are really the only accepted excuses.** Swimmers who swim with TAQ or Crawfish will attend their practices except on Friday. All team members are expected to attend Friday afternoon practices. Swimmers who swim with TAQ and Crawfish are expected to have 100% practice attendance there.
- Rides to and from practices need to be arranged in advance, but please try to pick up your son as close to 6:00 as possible.
- We will practice at Tara until it gets cold and then we will switch to A.C. Lewis YMCA.
- Swim meets and entries in swim meets are limited and will be given to those athletes who are committed to the program through practice attendance, attitude, work ethic, and ability.
- Once I get the swim meet schedule, I will e-mail it to everyone.
- The cost for being on the CHS swim team is \$160.00/athlete and can be made payable to Catholic High School. It can be given to Coach Logsdon before September 1. This goes to the cost of renting Tara, and paying entry fees into swim meets.
- I will communicate with everyone throughout the season thru the email address [manager@kenilworthclub.com](mailto:manager@kenilworthclub.com)
