The CHS Mothers' Club needs moms with the following skills: accounting, computer and database, fundraising/sales, event planning and marketing. We especially need moms who can send snacks and food for events! If you are able to participate in this manner, please let us know!

The Mothers' Club Car Raffle is the main way that we support the mission of CHS and directly assist in the ongoing Capital Campaign to improve each of our son's educational experiences. Each student is part of the CHS mission and directly benefits from the raffle sale proceeds, so we ask that each student sell at least 10 tickets. As an added benefit to your son, 8th, 9th, and 10th graders will have the opportunity to earn required service hours for assisting in site sales of raffle tickets to the general public. This year we will use an online process to sell the raffle tickets. Each student will be provided with a personal link to share and to sell tickets. Paper tickets will be available upon request. The entire CHS family encourages your support and participation. Thank you and your son for helping us to continue to grow and make CHS better for all of our sons.

TASTE FAIR & AUCTION: Do you have a business that is willing to contribute an item or service to the Event? Are you or your family and friends able to donate trips, vacation homes, game tickets, jewelry, etc?

YES, I will donate an item or service to the 2019 Taste Fair & Auction
