The CHS Mothers' Club needs moms with the following skills: Fundraising/sales, event planning and marketing. We especially need moms who can send snacks and food for events! If you are willing & able to participate at any level, please let us know!

The Mothers' Club Online Car Raffle is the main way that we support the mission of CHS and directly assist in the ongoing Capital Campaign to improve each of our son's educational experiences. Each student is part of the CHS mission and directly benefits from the raffle sale proceeds, so we ask that each student sell at least 10 tickets. As an added benefit to your son, 8th, 9th, and 10th graders will have the opportunity to earn required service hours for assisting in site sales of raffle tickets to the general public. We use an online process to sell the raffle tickets. Each student will be provided with a personal link to share and to sell tickets. Paper tickets will be available upon request. The Mothers' Club was able to donate \$81,500 to CHS for the 2019-2020 school year! Funds raised through our Car Raffle and Taste Fair and Auction are what make these donations back to CHS possible. The entire CHS family encourages your support and participation. Thank you and your son for helping us to continue to grow and make CHS better for all of our sons.

TASTE FAIR AND AUCTION: Do you have a business that is willing to contribute an item or service to the Event? Are you or your family and friends able to donate trips, vacation homes, game tickets, jewelry, etc?
